Yesterday, Today & Forever

HEBREWS 13:8

"Jesus Christ the same yesterday, and today, and forever".

I bring to you a very simple, short and straightforward message titled, YESTERDAY, TODAY AND FOREVER. What does this mean?

It means that in the past: days gone by, today: the present time, and forever: the future, It means in the dateless past, in the dated present, and in the indefinite future, Jesus Christ is the same. Whatever He did in the past He is still able to do in your life today. It means before the world began: yesterday; the world that now is: today; and the next world: forever, Christ never changes. His power, anointing, and the possibilities of His name remain the same. In the ages past, at the time when He lived before we were born, He saved sinners, healed the sick, did all things well and today, this particular day in your life, what He did yesterday when He was around, He will do today. Again by "forever", it means, after we have left here and are gone, and we see Him face to face, He will still have the same power, glory and manifestation. The Scripture says all have sinned and come short of the glory of God, but God so loved us and gave His only begotten Son to us so that your sins, evil, condemnation and punishment will be taken away, erased completely, and never to be remembered again because Jesus said on the cross: IT IS FINISHED. Why did He say that? "IT", that is, the need for salvation, deliverance,

healing, those needs in your life on which you or no one can help you, Jesus said you should bundle everything - your sins, sicknesses, oppression, impossibilities - together in one bag and hand them over to Him. By doing this, the problem of sin is canceled, sicknesses are healed, and impossibilities are taken away. IT IS FINISHED! In your life, soul, and spirit, God makes all things new. New life and new personality becomes your portion!

MENTAL DERANGEMENT HEALED!

A high school girl suddenly became mentally retarded and lost her writing skills!

Psychiatric tests in the hospitals confirmed a mental case.

Deliverance came from on High when during the prayer of God's servant, regained her mental consciousness, demanded for a pen, wrote her name and supplied other information meant for converts. Her sanity was restored again and the mother was overwhelmed with joy at the Lord's doing!

TESTIMONIES

DELIVERED FROM COVID-19 AFTER THE PRAYER.

My name is Pastor Olusegun Ajayi, a Group Pastor in Isolo, Lagos. I was almost dead due to COVID-19 infection but the prayer of God's General, Pastor (Dr.) W. F. Kumuyi brought me back to life. Hallelujah! The sickness started in July this year. Initially, I thought it was malaria; I never knew it was COVID-19. The sickness affected my lungs and I couldn't breathe very well. I was taken to many hospitals before it was eventually detected that it was COVID-19. I was eventually transferred to the Isolation

Centre; there I saw many people dying. I had to say my last prayer when I saw people of my age bracket dying in my presence. That day, my phone rang and it was a call from the GS. My wife brought the phone to me and the GS prayed for me. Later, I was pressed and I wanted to go to the toilet. My wife beckoned on the boy assisting me to bring the wheelchair to carry me to the toilet. I objected and asked her whether she knows the person that just prayed for me on the phone. She said Yes. I told her I was not going to use the wheelchair again. Immediately, strength and vitality entered into my body. I jumped up from the bed and went to the toilet and came back by myself. My appetite also came back and my lunch was doubled. All the people in the Isolation Centre hall, including the medical doctors, were amazed at the miracle. Now, I am alive, hale and hearty. I am free from COVID-19. Praise the Lord!

PROSTATE ENLARGEMENT HEALED

Praise the Lord! God delivered me from the problem of prostate enlargement. Sleeping in the night became so difficult that a catheter had to be fixed for me to be able to sleep.

This continued until I connected to the programme on Thursday. I could not even leave my house, I was indoors. It was so bad but I believed God. After the message, the man of God told us to lay our hands on the place where we have problems. I did and raised the other hand up. At the last Amen, I felt the presence of God around me since Sunday. Now, I'm no more using the catheter. I can now freely move around, it has been wonderful. I am delivered, Praise the Lord!

ISSUE OF BLOOD OF 3 YEARS HEALED

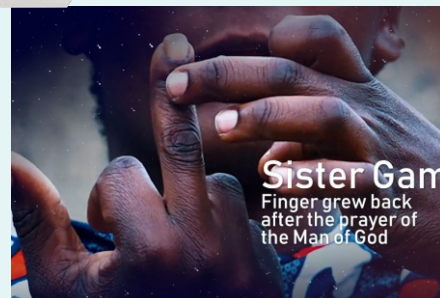

Praise the Lord! My name is Sis Josephine. My son invited me to connect to the crusade at Deeper Life Bible Church, Bada District. When I got there, the General Superintendent while preaching through the word of knowledge mentioned my problem which was the issue of blood. In the message, he told the story of how the woman with the issue of blood got healed after suffering for 12 years. Immediately after the prayer, I felt a cold sensation in my belly and the fountain of blood dried up.

Now, I can work and go to church. The

problem was with me for 3 years and I have sold all that I have just to find solution, all to no avail. But now, I am healed completely. Praise the Lord!

ACCIDENT FINGER GREW BACK

One Sister Gama, narrated how in the process of closing her door, she mistakenly banged the door on one of her fingers, which cut and fell off. On getting to the hospital, she was informed that the cut off part cannot be sutured again as it had become contaminated and shriveled, with no hope of a full finger again! However, her miracle came when she thrust the stumped finger at the screen during the prayer of Pastor (Dr.) W.F. Kumuyi at the crusade. She left for home. The following morning, the Daystar arose on her as she began to feel a sensation and a growth on the cut finger. Excitedly, she called her sister to come and behold God's wonder. And that was how her finger grew with new flesh and new nail to God's glory.
